How do I log in to Google Apps?

Primary access to your Google Apps account is provided in several different ways via Single-Sign-On through the [MyIU Portal](#)

You can access Google Apps through the Google Drive icon in the Campus Applications block, or click on the link to your Google Mail in the unread messages block.

The screenshot displays the MyIU Portal interface for a student. At the top, the Immaculata University logo and user name 'Ainsley, Sharon' are visible. A search bar is located in the top right. The main content area is divided into several sections:

- Announcements:** Contains three announcements from May and June regarding enrollment, office locations, and fitness center hours.
- Campus Applications:** Features icons for SSU, Google, Moodle, Degree Works, and Starfish. A yellow box labeled 'ACCESS Google Apps' with an arrow points to the Google icon.
- Unread Messages:** Shows 'You Have 0 Unread Messages' with a 'Google Mail' link. A yellow box labeled 'ACCESS Google MAIL' with an arrow points to this link.
- My Finances:** Includes links for Forms & Info, My Account, and Financial Aid.
- Quick Links:** Lists various services such as Academic Resources, Career & Professional Development, and Student Life.
- My Bookmarks:** Lists frequently used links like University Events and Student Health Services.

Should you have any trouble accessing Google Apps through the MyIU portal, please contact the OTS department through SysAid.
